per month to continue the programme during 1998-99.

(c) A total amount of Rs. 219.53 lakhs was sanctioned to the State Government during 1997-98. The Scheme has been continued in 1998-99 with a budget allocation of Rs. 60 crores for the entire country. Action to release the first instalment is being taken.

PSUs under the Adminisstrative Control of Ministry of Chemicals and Fertilizers

*275. SHRI .YERRA NARAYANA SWAMY: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) the public sector undertakings, coming under the administrative control of the Ministry of Chemicals and Fertilizers;

(b) whether the Ministry examines in details the annual reports of such undertakings and the audit reports and the comments of the auditors; and

(c) if so, what are the serious audit objections pointed out in the undertakings' reports and what actions were taken by Government in respect of such reports for 1995-96 and 1996-97, undertaking wise?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI SURJIT SINGHA BARNALA): (a) The following are the PSUs under the administrative control of the Ministry of Chemicals & Fertilizers;

Department of Chemicals & Petrochemicals:

1. Indian Petrochemical Corporation Limited (IPCL)
2. Hindustan Organic Chemicals Limited (HOCL)
3. Hindustan Insecticides Limited (HIL)
4. Indian Drugs & Pharmaceuticals Limited (IDPL)
5. Bengal Immunity Limited (BIL)
6. Hindustan Antibiotics Limited (HAL)
7. Bengal Chemicals & Pharmaceuticals Limited (BCPL)
8. Smith Stanistreet Pharmaceuticals Limited (SSPL)

Department of Fertilizers:

1. Fertilizer Corporation of India Limited (FCI)
2. Hindustan Fertilizer Corporation Limited (HFC)
3. Pyrites, Phosphates & Chemicals Limited (PPCL)
4. Projects & Development India Limited (PDIL)
5. National Fertilizers Limited (NFL)
6. Fertilizers and Chemicals Travancore Limited (FACT)
7. Rashtriya Chemicals & Fertilizers Limited (RCF)
8. Madras Fertilizers Limited (MFL)
9. Paradeep Phosphates Limited (PPL)

(b) and (c) The audit reports on the working and affairs of the public sector undertakings and any comments upon, or supplement to, the Audit Reports, made by the Comptroller & Auditor General of India under section 619 (4) of the Companies Act, 1956 are examined in detail by the Board of Directors of the undertakings, which include representatives of the Ministry. Copies of the Audit Reports, and the observations of the Comptroller & Auditor General of India are available in the Annual Reports of the Public Sector Undertakings, which have been laid before both Houses of Parliament alongwith notes on the reviews of the working and affairs of the undertakings carried out by the Ministry.

No serious objections have been pointed out in the Annual Reports of the undertakings under the administrative control of the Department of Chemicals & Petrochemicals.

The Annual Report on the working and affairs of the National Fertilizers Limited during 1995-96 contains the observation of the Audit that the advance of Rs. 131.84 crore against contract for import of 2 lakh tonnes of urea should have been classified as doubtful of recovery and adequately provided for. Similar observations have also been made in respect of the outstanding debts against two of the sundry debtors, namely M/s Bijwasan Agro

Limited (Rs. 4.IS crore) and M/s Aar Kay Agencies (Rs. 1.82 crore).

In the matter of the advance for import of urea, NFL has, as a measure of abundant caution, made a provision by way of Bad and Doubtful Advances amounting to Rs. 130.69 crore out of unappropriated profits. This provision has been shown as a deduction in the accounts for the year 1996-97. Further, criminal proceedings against those who were found to have been involved in this fraudulent transaction have been launched. Arbitral proceedings under the contract have also been undertaken for the recovery of the advance alongwith damages.

Necesssary provisions have also been made in the accounts for the year 1996-97 in respect of the debts outstanding against M/s Bijwasan Agro Limited and M/s Aar Kay Agencies. Criminal investigations have also been initiated in these cases and in the matter of the transaction relating to M/s Aar Kay Agencies sanction has been accorded for the prosecution of the employees involved.

कोलायत तथा फलौदी के बीच बड़ी रेल लाइन

*276 **श्री ओंकार सिंह लखावत** : क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या कोलायत से फलौदी तथा नागौर से फलौदी के बीच बड़ी रेल लाइनें बिछाने हेतु कोई सर्वेक्षण कार्य आरम्भ किया गया हैं यदि हां, तो इस संबंध में हुई प्रगाति का ब्यौरा क्या हैं; और

(ख) क्या राजस्थान सरकार ने रिवाड़ी से भिवाड़ी तक के नये रेल मार्ग हेतु कोई प्रस्ताव प्रेषित किया हैं; यदि हां, तो तत्संबंधी प्रगाति का ब्यौरा क्या है

रेल मंत्री (श्री नीतीश कुमार) : (क) दोनों लाइनों के लिए सर्वेक्षण शुरू कर दिए गए हैं तथा इस वर्ष के अंत में रिपार्टे आ जाने की संभावना हैं। सर्वेक्षण रिपोर्ट उपलब्ध हो जाने के बाद ही इन परियोजनाओं पर आगे विचार करना संभव होगा।

(ख) जी हां। राष्ट्रीय क्षेत्र योजना बोर्ड ने राष्ट्रीय राजधानी क्षेत्र के लिए परिवहन के संबंध में एक कार्यात्मक योजना का अनुमोदन किया है जिसमें रिवाड़ी-भिवाड़ी रेल संपर्क शामिल नहीं है। बहरहाल, उत्तर रेलवे ने खुर्जा-पलवल-रिवाड़-रोहतक रेल लाइन के लिए एक परियोजना तैयार की हैं जिसमें यह संपर्क मौजूद हैं लेकिन भारी निवेश और प्रतिफल की बहुत कम दर को देखते हुए इस प्रस्ताव पर आगे कार्यवाई नहीं की गई हैं।

Export of Commodities Using Red Sanders Wood

*277. SHRI YADLAPATIVENKATRAO: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether commodities using red Sanders wood are being exported endangering existence of the species; and

(b) if so, the steps proposed to save the plant from extinction by checking export of such commodities?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI SURESH PRABHU): (a) and (b) Export of Red Sanders has been included in the Negative List of Exports since 1992 under the Export and Import Policy. However, value added items of Red Sanders wood are allowed for export since 1996 in view of huge accumulation of stocks. Natural stands of Red Sanders are mainly confined to the State of Andhra Pradesh. Important steps taken by Government to discourage illicit trade and for conservation of the species are as under:

(i) Complete ban on felling of Red Sanders species in natural stands;

(ii) Red Sanders was included in the Appendix-II of the Convention of International Trade in Endangered Species of Fauna and Flora (CITES). As a result of this only legally procured consignments can be allowed for export.

(iii) Export of value added items are allowed to subject to certificate of origin from the Principal Chief Conservator of Forests of the state from where the stocks are procured.

(iv) Number of Check-posts have been established and Forest Protection Force, equipped with wireless network, are deployed at strategic locations for protection of Red Sanders forests from illicit fellings.
